

Architectural Salvage Field Tech

Earthwise Architectural Salvage · Seattle Salvage Crew
Seattle, WA (SODO) · Full-time · On-site and in the field

About Earthwise

Earthwise Architectural Salvage is the original salvage company in the Pacific Northwest. For more than 30 years, we've worked to preserve our region's architectural past by salvaging reusable building materials and architectural features that would otherwise be headed for the landfill. We're a small, independent business. We work hard, have fun doing it, and our crew is passionate about architectural salvage and dedicated to the mission.

The Opportunity

We're hiring a full-time field tech to join our two-person salvage crew. Most of your time will be spent on job sites, carefully taking buildings apart so their best pieces can live on, with the occasional day at our Seattle retail warehouse in SODO.

One job might involve pulling every faucet, cabinet and appliance out of a million-dollar McMansion in Issaquah. The next might include pulling floorboards, doors, and windows from a dilapidated old Craftsman in Greenwood. You'll never have the same day twice!

What You'll Do

- Meet the crew at our Seattle warehouse at 7:30 am and unload materials from the previous day's salvage
- Ride in our 16-foot box truck to the day's salvage site
- Remove cabinets, appliances, flooring, doors, windows, and other salvageable features from homes and buildings
- Load and secure materials safely in the box truck
- Work with homeowners, contractors, and other customers on site
- Help out at our SODO retail warehouse when needed

What We're Looking For

- Experience with basic hand and power tools

- Able to lift and carry 50 pounds or more
- Physically able to perform all aspects of the job
- Comfortable working with our diverse customer base
- A quick learner and a real-time problem solver
- Takes initiative and follows direction
- Works well on a small team
- Works efficiently and safely
- Able to commute reliably to our SODO warehouse

Nice to Have

- A good sense of humor
- A set of your own tools
- A love for the environment and Seattle's history
- A bit of a geek about antiques, furniture, and construction techniques

Schedule

Monday through Friday, 7:30 am to 3:30 pm. 40 hours per week.

Compensation & Benefits

Pay - \$22 per hour. Benefits include health care (the company covers 80%), two weeks of paid time off per year, an employee discount, interesting work, and a fantastic group of people to do it with.

Location

Full-time, in person, based at our warehouse at 3447 4th Ave S, Seattle, WA 98134, with most days spent on salvage sites around the greater Seattle area.

How to Apply

Apply by emailing your resume and a short note about why this role interests you to paul@ewsalvage.com

Earthwise is an equal-opportunity employer. We welcome applicants of all backgrounds, and we especially encourage people with hands-on trade and craft experience to apply.
